

Fish & Richardson is pleased to launch its annual 1L Diversity Fellowship Program awarding fellowships to diverse first-year law students. The program is a key component of the firm's ongoing initiative to recruit, retain, and advance attorneys who will contribute to the diversity of the firm's practice and the legal profession. Over 80% of our Fellowship recipients have received offers to join the firm as an associate following law school graduation.

The Fish & Richardson 1L Diversity Fellowship Program is comprised of four components:

- A paid summer associate position in one of Fish & Richardson's domestic offices in the summer of 2019;
- Mentoring throughout the academic year by members of the firm;
- Participation in the Leadership Council on Legal Diversity (LCLD) 1L Scholars Program; and
- Up to a \$30,000 award - Fish will award \$5,000 to all 1L Diversity Fellowship recipients upon completion of their 1L summer clerkship with the firm; \$10,000 to those returning as a 2L summer associate at Fish for the full 10 weeks of the summer program; and \$15,000 to those who join the firm as an associate after law school graduation.

### Eligibility

Candidates must be in good standing as a first-year law student at an ABA accredited law school; demonstrate a record of academic and professional achievement; contribute meaningfully to diversity and inclusion through their involvements in law school or other community efforts and initiatives; may include being a member of a racial/ethnic group that has been historically underrepresented in the legal profession, or identifying as a person with disabilities, openly LGBT, and/or a military veteran; and have a technical background and sincere interest in intellectual property law at Fish & Richardson.

### Application Process

Applications for the 2019 Fellowship will be accepted from December 1, 2018 through January 4, 2019. Candidates must submit a completed application form and directed personal statement, in addition to their resume, undergraduate and graduate transcripts (official or unofficial), legal writing sample, and a contact list of three references (one of whom must be a professional at an educational institution attended). Candidates must also rank their preferred offices and practice groups for the summer clerkship. Finalists will be asked to submit their first semester law school grades. Only complete applications will be considered. Please see the application form for further instructions.

### Mentoring

Each recipient will be assigned an attorney mentor. Mentors will serve as a liaison between the student and the firm and facilitate the student's professional growth and learning. The mentoring relationship begins as soon as the Fellows have been named and continues at least through the academic year. Should the Fellow receive and accept an offer to return for a second summer, the mentoring relationship would continue for another academic year.

### Monetary Award

Up to a \$30,000 award - Fish will award \$5,000 to 1L Diversity Fellowship recipients upon completion of their 1L summer clerkship with the firm; \$10,000 will be awarded to those returning as a 2L for the full 10 weeks of the summer program. An additional \$15,000 will be awarded to those who join the firm as an associate after law school graduation.

### Summer Clerkship

Following the first year of law school, Fellows are offered a paid summer associate clerkship position in a domestic office of the firm. These positions are part of Fish's summer program, which runs from mid-May through July. Candidates will provide their office preference during the application process.

### LCLD 1L Scholars Program

Each Fish 1L Diversity Fellow is also given the opportunity to take part in the Leadership Council on Legal Diversity's Pipeline Initiative, the 1L LCLD Scholars Program, which includes substantive programming, mentoring, networking opportunities, and a two-day Scholars retreat.
